IV. Procedures

Faculty affected by this policy should charge membership dues, books and periodicals to unrestricted accounts (non-sponsored project accounts such as incentive accounts, start-up funds, endowments, etc.) that may be available for their use. In the absence of unrestricted accounts faculty may contact their Dean's office for alternative funding to support these types of costs. Faculty who wish to charge membership dues, books and periodicals to sponsored accounts should first consult with the Office of Grants and Contracts Accounting or Sponsored Projects Administration to reassure that the project qualifies under the exceptions discussed in OMB Circular A-21.
