9th Annual Tulane Symposium on Thyroid and Parathyroid Diseases

Tulane Symposium on Skin Malignancies

April 28 – 30, 2017

Hyatt Regency New Orleans
New Orleans, LA

Presented by: Tulane University School of Medicine Department of Surgery and the Tulane University Center for Continuing Education

Friday, April 28, 2017 - HYATT REGENCY

7:00 am – 12:30 pm Registration

7:00 am – 8:00 am Continental Breakfast in Exhibit Hall

THYROID & PARATHYROID

8:00 am – 8:15 am What’s Different on the Current Guidelines for Workup of Thyroid Nodules, Mouhammed Habra, MD

8:15 am – 8:30 am Management of Substernal Goiters from A to Z, Peter Angelos, MD

8:30 am – 8:45 am Debate on Graves’ Disease Management: Non-Surgical Options vs Surgical Options
Non-Surgical: Mouhammed Habra, MD  Surgical: Peter Angelos, MD

8:45 am – 9:00 am Follicular variant of Papillary Carcinoma, Is it Cancer or Not? Mouhammed Habra, MD

9:00 am – 9:45 am Panel on Guidelines and Currently Available Commercial Molecular Markers for Thyroid Nodules, Moderator: Eren Berber, MD - Panel: Mark Urken, MD; Electron Kebebew, MD; Mouhammed Habra, MD

9:45 am – 10:15 am Break in Exhibit Hall

10:15 am – 10:30 am Preoperative Imaging for Thyroid Cancer, Peter Angelos, MD

10:30 am – 10:45 am Debate on Prophylactic Central Lymph Node Dissection
Con: Emad Kandil, MD  Pro: Peter Angelos, MD

10:45 am – 10:55 am Video Presentation of Central Lymph Node Dissection, Woung Youn Chung, MD

10:55 am – 11:00 am Introduction of the Lecture in honor of Dr. Debakey, Emad Kandil, MD

11:00 am – 11:30 am 3RD Annual Tulane Lecture in honor of Dr. Michael Debakey:
Medullary Thyroid Cancer, Electron Kebebew, MD

11:30 am – 12:15 pm Case Presentations, Moderator: Joseph Scharpf, MD
Panel: Electron Kebebew, MD, Mark Urken, MD; Mouhammed Habra, MD

SKIN MALIGNANCIES - MELANOMA

8:00 am – 8:20 am Sunscreen and Melanoma Prevention, Diane Trieu, MD
8:20 am – 8:50 am Overview of Novel Treatment Options for Melanoma, from the Dermatology Perspective, Erin Boh, MD, PhD
8:50 am – 9:15 am Update on Dermoscopy and Dermatopathology, Diane Trieu, MD
9:15 am – 9:45 am Pathology Pearls, Alan Wang, MD, PhD
9:45 am – 10:15 am Break in Exhibit Hall
10:15 am – 11:00 am Introduction of the Skin Malignancies Lecture in honor of Dr. Debakey, Emad Kandil, MD
10:20 am -11:00 am Tulane Skin Malignancies Lecture in honor of Dr. Michael Debakey
Surgical Pearls in Treating Melanoma Patients, Anthony Tufaro, MD
11:00 am – 11:30 am Current Treatment Options for Patients with Metastatic Melanomas, TBD
11:30 am – 12:15 pm Bring your Challenging Cases and Stump the Experts, Moderator: John Blair Hamner, MD

Saturday, April 29, 2017 – HYATT REGENCY
7:00 am – 12:30 pm Registration
7:00 am – 7:30 am Continental Breakfast in Exhibit Hall

THYROID & PARATHYROID
7:30 am – 7:50 am Management of Recurrent Thyroid Cancer, Mark Urken, MD
7:50 am – 8:10 am Current ATA Guidelines for Postoperative RAI in Patients with Thyroid Cancer, Mouhammed Habra, MD
8:10 am - 8:30 am Tricks to Avoid Complications with Neck Dissections, Mark Urken, MD
8:30 am - 8:50 am Current Management of Metastatic Thyroid Cancer, Mouhammed Habra, MD
8:50 am – 9:30 am Recurrent Thyroid Cancer and RAI Challenging Case Presentations, Moderator: Mouhammed Habra, MD - Panel: Mark Urken, MD; Electron Kebebew, MD; Peter Angelos, MD
9:30 am – 10:00 am Break in Exhibit Hall
10:00 am – 10:20 am Diagnosis and Management of Primary Hyperparathyroidism, Emad Kandil, MD
10:20 am- 10:40 am Negative Parathyroid Scans, What’s Next? Eren Berber, MD
10:40 am – 11:00 am State of the Art Management of Recurrent and Persistent Primary Hyperparathyroidism, Electron Kebebew, MD
11:00 am – 11:20 am Management of Secondary and Tertiary Hyperparathyroidism, Peter Angelos, MD
11:20 am - 12:15 pm Case Presentations: Moderator: Eren Berber, MD - Panel: Peter Angelos, MD; Patrick Aidan, MD; Emad Kandil, MD

OPTIONAL SATURDAY CADAVER LAB – Limited Registration
Lunch and Transportation will be provided for the Cadaver Lab attendees at the lab facility.
12:45 pm - 4:00 pm Endoscopic Thyroidectomy Cadaver Lab will include Transaxillary, Retroauricular, and Transoral Approaches. Also, for interested attendees, Retroperitoneal Adrenalectomy

**END**
EVERYONE
8:45 am - 9:00 am Basics of Ultrasound, Rizwan Aslam, DO
9:00 am - 9:30 am Ultrasound of Thyroid Nodules, Eren Berber, MD
9:30 am - 10:00 am Ultrasound of Parathyroid, Cervical Lymph Nodes, and Vocal Cords,
Emad Kandil, MD

10:00 am – 10:30 am Break and Transit to Ultrasound Workshop in Tulane Hospital

10:30 am – 12:30 pm Hands-On Workshops (Laboratory and Practical)
Director: Emad Kandil, MD, Faculty: Saud Alrasheedi, MD; Eren Berber, MD; Rizwan Aslam, DO; Tilak Mallik, MD; Tina Thehti, MD; Robert Galagan, MD; Tuan-Huy Tran, MD; Ghyass Rizk, MD; Mohamed Alshehri, MD
Participants will be separated into groups and rotate through stations.
• Hands-on Stations: Ultrasonography on Patients with Thyroid, Parathyroid and Cervical Lymph Node Pathology
• Fine Needle Aspiration Techniques with Simulation Model

OPTIONAL SUNDAY CADAVER LAB – Limited Registration
Lunch and Transportation will be provided for the Cadaver Lab attendees at the lab facility.
12:45 pm - 4:00 pm Endoscopic Thyroidectomy Cadaver Lab will include Transaxillary, Retroauricular, and Transoral Approaches. Also, for interested attendees, Retroperitoneal Adrenalectomy

OPTIONAL POST SYMPOSIA
Both Optional Post Symposium Sessions will be held at the Tulane Medical Center

Monday, May 1, 2017 Ultrasound – Limited Registration
7:00 am - 3:00 pm Ultrasound Observations in Tulane Clinic with Dr. Kandil (approx. 20-25 patients)

Tuesday, May 2, 2017 Live Cases – Limited Registration
7:00 am - 10:30 am Case Observations in Tulane Hospital Operating Room with Dr. Kandil (Approx. 6 cases) Dependent on surgery schedule (Cases may include robotic cases)

Every effort has been made to present the program schedule as accurately as possible from information available at brochure printing time. We reserve the right to make changes to the program and notice of changes will be announced at the meeting.

This CME activity may address components of the following competencies:
The American Board of Medical Specialties: Patient Care; Medical Knowledge Practice-based Learning and Improvement; Interpersonal and Communication Skills; Professionalism; and Systems-based Practice
The Institute of Medicine: Provide Patient-Centered Care; Work in Interdisciplinary Teams; Employ Evidence-Based Practice; Apply Quality Improvement; and Utilize Informatics
The Interprofessional Education Collaborative: Values/Ethics for Interprofessional Practice; Roles/Responsibilities; Interprofessional Communication; and Teams and Teamwork

General Program Information

Meeting Locations
The Symposia will be held on Friday and Saturday at the Hyatt Regency New Orleans at 601 Loyola Avenue

The Symposia will be held on Sunday at the Tulane University School of Medicine Hutchinson Building at 1430 Tulane Avenue.
**Statement of Need**

**THYROID:** Surgeons, endocrinologists, and otolaryngologists may not possess the most recent knowledge and skills in the diagnosis and treatment of thyroid and parathyroid diseases. The purpose of this symposium is to increase knowledge and competence of physicians on current policies and procedures in relation to thyroid and parathyroid diseases.

**SKIN MALIGNANCIES:** Physicians participating in the care of patients with skin malignancies must be up to date with advances in imaging, pathological diagnosis as well as surgical, medical and radiation therapy. The purpose of this educational event is to provide a platform for multidisciplinary management of patients with skin malignancies.

**Overview**

**THYROID:** Surgeons, endocrinologists, and otolaryngologists may not possess the most recent knowledge and skills in the diagnosis and treatment of thyroid and parathyroid diseases. Lectures, workshops and case discussions featuring the most up to date knowledge on ATA guidelines will enable physicians to enhance their quality of care. The purpose of this symposium is to increase knowledge and competence of physicians on current policies and procedures in relation to thyroid and parathyroid diseases.

**SKIN MALIGNANCIES:** The purpose of this educational event is to provide a platform for multidisciplinary management of patients with skin malignancies. The course will cover topic in addition to melanoma, basal cell carcinoma, squamous cell carcinoma, Merkel cell carcinoma, and cutaneous cell lymphoma. Attendees will be updated on advances in in the field of imaging and pathological diagnosis, in addition to surgical, medical and radiation therapy. The course will provide multidisciplinary panel discussion of standard and challenging cases.

**Objectives**

**THYROID:** At the conclusion of this educational activity, the participants should be better able to effectively:

- Describe current ATA guidelines for Postoperative RAI in patients and management of thyroid nodules.
- Discuss the appropriate surgical interventions for thyroid lobectomy, central lymph node dissection, parathyroidectomy, thyroidectomy, thyroid nodules, and bilateral neck exploration.
- Identify issues associated with thyroid cancer including recurrent, surveillance versus surgery, and available commercial molecular markers.
- Explain the basic uses of ultrasound in the diagnosis of thyroid and parathyroid diseases and its applications.

**SKIN MALIGNANCIES:** At the conclusion of this educational activity, the participants should be better able to effectively:

- Describe the current standard of care in diagnosis of skin malignancies.
- Explain the difference between and the need for providing aggressive treatment in certain cases.
- Recognize the benefits of multidisciplinary approach in managing skin malignancies.
- Discuss current approaches in medical and surgical treatment of skin malignancies.

**Predicted Practice Outcomes**

**THYROID:** Predicted changes in practice as a result of participating in this activity may include the improved ability to:

- Implement the latest treatment and surgical intervention approaches into practice.
- Utilize ultrasound procedures to diagnose thyroid and parathyroid diseases.

**SKIN MALIGNANCIES:** Predicted changes in practice as a result of participating in this activity may include the improved ability to:

- Implement a multidisciplinary approach in the management of skin malignancies.
- Utilize current approaches in the medical and surgical treatment of skin malignancies.
**Target Audience**
This course is designed for physicians in Surgery, Otolaryngology, Endocrinology, Dermatology, General Surgery, Surgical Oncology, Medical Oncology, Radiation Oncology, and Pathology both in training and in practice.

**Accreditation**
Tulane University Health Sciences Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Designation**
Tulane University Health Sciences Center designates this live educational activity for a maximum of 30 (13/Symposium and 17/optional post-symposium sessions) **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Tulane University Health Sciences Center presents this activity for educational purposes only and does not endorse any product, content of presentation or exhibit. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentation is provided solely by the presenters who have been selected because of their recognized expertise.

**Disclosure**
This activity has been planned and implemented in accordance with the ACCME’s accreditation requirements and policies to ensure balance, independence, objectivity, and scientific rigor. All individuals responsible for content, regardless of role(s), are required to document financial relationships or the absence of relationships with commercial interests, and all potential conflicts of interest must be resolved prior to the activity.

Disclosure of off-label, experimental or investigational use of drugs or devices must also be made known to the audience.

**Hotel Accommodations**
The symposia will be held at the **Hyatt Regency New Orleans** at 601 Loyola Avenue, New Orleans, LA 70113; [https://neworleans.regency.hyatt.com/en/hotel/home.html](https://neworleans.regency.hyatt.com/en/hotel/home.html). By booking in our room block, you assist in keeping our costs down. Don’t forget that this is event time in New Orleans and hotel rooms will go fast. Book now!

Please call 504-561-1234 or 888-591-1234 or go to [https://aws.passkey.com/go/tulanesymposium2017](https://aws.passkey.com/go/tulanesymposium2017) to reserve a room in the “Tulane Thyroid” room block by **Monday, March 27, 2017**. Hotel room rates are $239.00 single/double

**Registration**
The registration fee includes all educational sessions, materials, and continental breakfasts.

**Optional Post-Symposium Sessions - Space is Limited**
- Monday Ultrasound Clinic Day: $50, Not applicable
- Tuesday Live Cases: $50, Not applicable
- Monday AND Tuesday sessions: $85, Not applicable

- Saturday Cadaver Lab: $500.00, Not applicable
- Sunday Cadaver Lab: $500.00, Not applicable

**Syllabus**
All registrants will be emailed the syllabus. If you would like to purchase a printed syllabus, they are available for $45.00 each.

**Note:** A letter from the registrant’s department is needed to verify resident/fellow status.
Cancellation Information
Written notification of cancellation must be postmarked by **Friday, April 1, 2017** to obtain a partial refund of the registration fee (a $75.00 administrative fee will be retained). After that time, no refunds will be issued.

Tulane University Health Sciences Center reserves the right to cancel this activity if there are insufficient registrants. Full refunds would be made in that event. However, Tulane University Health Sciences Center is not responsible for any related costs or expenses including cancellation/change charges assessed by airlines.

*If you have not received your confirmation by April 15, 2017 please call (504) 988-5466 to confirm your registration.*

New Orleans Jazz and Heritage Festival
The New Orleans Jazz and Heritage Festival (aka Jazz Fest) will be held on the weekends of April 28-30 and May 5-7. Acclaimed as one of the top jazz festivals in the world, you may wish to arrange your visit to New Orleans to include a stop at the Fair Grounds. Tickets and more information can be found at [www.nojazzfest.com](http://www.nojazzfest.com).
