Important Reminders for 2018 Spring Semester Budgeting

Reminder that your budgeted living expenses only cover your period of enrollment. For current T2 students (who will be T3s for 2018-19), understand that your 2018 Spring semester refund must last through the end of June 2018. The first disbursement of aid for 2018-19 for the T3 year will occur in early July 2018.

For current T1 students, your 2018 spring semester refund is to cover your expenses through the end of May 2018. Your T2 year will start in August 2018, so plan accordingly for June & July expenses.

Dual Degree Students Update Your Enrollment Hours

If you are enrolled in the MD/MPH, MD/MS, or MD/MBA dual degree programs, please make sure you have reported the additional hours you are taking in the MPH/MS/MBA program to our office so we can adjust your award to account for the additional tuition and fees cost.
