CREATE A MEDIA GROUP

Select: Create>Media Groups

Fill out appropriate information.

Once created this group will become your “Active Media Group” (appears at the top right of the screen), which allows you to work with it during this session. If you would like to move to another of your groups you can select another group from the drop down menu next to “Active Media Group”
ADD IMAGES TO ACTIVE MEDIA GROUP

Roll over top right of thumbnail and click icon with three squares

OR

Select image and click on “Add to Media Group”
TO OPEN MEDIA GROUP

Select: Explore>Media Groups

Choose from “My Media Groups” or “Public Media Groups”, Brooke’s Group is in both as it is a public group.

Click on group
