

Dear SLA Faculty-

Please see below for the grant solicitation from the Tinker Foundation. They seek proposals that are geographically focused on Latin America, Iberia or Antarctica. Topically, projects should deal with environmental policy, governance or economic policy. Support may be sought for, but is not limited to, research projects, conferences and workshops. Please note that you should notify the Office of Development when applying for funding from private corporations or foundations. Please contact Melissa Erekson (merekson@tulane.edu) for assistance with proposal development and writing. Thank you. Sincerely, Kevin.

ELIGIBILITY

Eligible applicants are tax-exempt institutions and organizations concerned with the topics listed above. The sponsor encourages collaboration between and among organizations in the United States, Latin America, Spain and Portugal.
