The Interdisciplinary Innovative Programs Hub (I²PH) and SALUD Student Organization Present...

¡Salud! The Film

The I²PH, along with SALUD, the SPHTM student organization, will be holding a showing of the documentary, ¡Salud!, which examines the healthcare system and medical resources, including physicians, in Cuba. This examination is in the context of community health, health systems, and even the international impact of these doctors and models.

THURSDAY, FEBRUARY 12, 2015
TDW 1208
12:00-2:00 PM

ALL ARE WELCOME!
RSVP TO I²PH@TULANE.EDU

This screening is for us as a school of public health to come together to view and discuss the impact of healthcare from a systems approach, and Latin America’s and Cuba’s contributions to improving the quality of life for all. Dr. Arachu Castro, GHSD Associate Professor, will be available after the film screening for discussion and questions regarding Cuba and its healthcare system.

Lunch will be provided, courtesy of SALUD
