26th Tulane Dermatology Update and All That Jazz
April 20 – 23, 2016
Westin New Orleans Canal Place
New Orleans, LA

Presented by: Tulane University School of Medicine Department of Dermatology
and the Tulane University Center for Continuing Education

This year marks the 26th Tulane Dermatology Update and All That Jazz. As part of our celebration, we have an outstanding faculty covering a variety of topics that will provide both CME credit and MOC Self-Assessment Credit. The meeting will be in the heart of the French Quarter at the Westin New Orleans Canal Place where you can step out into the vibrant street life and enjoy all the great restaurants just steps away.

Our faculty will provide you with information which will update you on issues and trends in dermatology plus useful practical pearls for Dermatologists.

We invite you to come celebrate with us the 26th Tulane Dermatology Update and All That Jazz April 20-23, 2016.

Sincerely,
Erin E. Boh, MD, PhD
Chastain Chair Professor
Chairman, Department of Dermatology
Tulane University

Program Schedule
Question and Answer Time is included in the presentation times
All faculty are American Board of Dermatology certified.

Wednesday, April 20, 2016 (3 credits)
2:30 pm – 6:15 pm   Registration

General Program Information

Statement of Need
One out of three people suffer from a skin disease at some point in their lives. Changing guidelines and advances in technology, along with healthcare reform, have created a confusing and sometimes controversial environment for dermatologists.

Overview
The Department of Dermatology of the Tulane University School of Medicine presents the 26th Dermatology Update and All That Jazz Conference. Bringing back previous conference faculty and distinguished Tulane alumni, the activity will engage the participants in developing strategies to improve the physician practice within the emerging advances in the diagnosis and treatment of today’s complex medical and surgical cases, rapidly advancing technology and the new healthcare delivery systems.

Purpose
The purpose of this activity is to improve patient care and to equip physicians with the highest quality knowledge and competence needed to diagnose common and uncommon dermatological diseases, as well as strategies for implementing appropriate guidelines and evidence-based treatment options. The activity will engage the participants in developing strategies to improve the physician practice within the emerging advances in the diagnosis and treatment of today’s complex medical and surgical cases, rapidly advancing technology and the new healthcare delivery systems.

Objectives
At the conclusion of this activity, attendees should be better able to …

- Discuss the new guidelines with colleagues.
- Critically evaluate the advances in therapeutics and technology in dermatology.
- Discuss with colleagues and patients the benefits and adverse effects of the newer therapeutic agents and technological innovations in medical and surgical dermatology.
• Explain the differences between the current coding and new coding.
• Analyze complex cases to determine diagnosis and most effective and efficient treatment options.
• Differentiate between common and uncommon dermatological diseases, including those that present with comorbidities.

Predicted Outcomes
Predicted Changes in Practice as a result of this activity are …
• Determine which advances may have relevance for your patient population.
• Counsel patients in the selection of the appropriate therapeutic agents and/or technology which would be most beneficial and cost effective.
• Improve diagnosis and management of dermatological diseases.
• Assess practice to determine coding effectiveness.
• Assess practice according to a specific guideline discussed in the conference.

Target Audience
This course is designed for physicians in Dermatology, both in training and in practice.

Accreditation
Tulane University Health Sciences Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Designation
Tulane University Health Sciences Center designates this live educational activity for a maximum of 19.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Tulane University Health Sciences Center presents this activity for educational purposes only and does not endorse any product, content of presentation or exhibit. Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine. The content of the presentation is provided solely by the presenters who have been selected because of their recognized expertise.

American Academy of Dermatology
The Tulane University Health Sciences Center’s Tulane Dermatology Update and All That Jazz (Program #428100) is recognized by the American Academy of Dermatology for 19.50 AAD Recognized CME Credits and may be used toward the AAD’s CME Award.

Disclosure
This activity has been planned and implemented in accordance with the ACCME’s Essential Areas and Policies to ensure balance, independence, objectivity, and scientific rigor. All individuals responsible for content, regardless of role(s), are required to document financial relationships or the absence of relationships with commercial interests, and all potential conflicts of interest must be resolved prior to the activity. Disclosure of off-label, experimental or investigational use of drugs or devices must also be made known to the audience.

Registration
The registration fee includes all educational sessions, materials, Thursday lunch and continental breakfasts.

Early Bird Registration: Friday, January 15, 2016.
Pre-Registration: January 16 to April 18, 2016

Cancellation Information
Written notification of cancellation must be postmarked by Friday, April 1, 2016 to obtain a partial refund of the registration fee (a $75.00 administrative fee will be retained). After that time, no refunds will be issued.

Tulane University Health Sciences Center reserves the right to cancel this activity if there are insufficient registrants. Full refunds would be made in that event. However, Tulane University Health Sciences Center is not responsible for any related costs or expenses including cancellation/change charges assessed by airlines.

Confirmation will be sent by email from cme@tulane.edu.

*If you have not received your confirmation by April 15, 2016 please call (504) 988-5466 to confirm your registration.*

Hotel Accommodations and Meeting Site
The conference will be held at the Westin New Orleans Canal Place at 100 rue Iberville, New Orleans, LA 70130; www.westin.com/canalplace. Please call 504-566-7006 or 888-627-8180 or go to https://www.starwoodmeeting.com/StarGroupsWeb/res?id=1505114307&key=1AE40AB to reserve a room in the “Tulane Dermatology” room block by Monday, March 21, 2016.

By booking in our room block, you assist in keeping our costs down. Don’t forget that this is event time in New Orleans and hotel rooms will go fast. Book now!

Syllabus
All registrants will be given a thumb drive with the syllabus. If you would like to purchase a printed syllabus, they are available for $45.00 each.

New Orleans Jazz and Heritage Festival
The New Orleans Jazz and Heritage Festival (aka Jazz Fest) will be held on the weekends of April 22-24 and April 28-May 1. Acclaimed as one of the top jazz festivals in the world, you may wish to arrange your visit to New Orleans for the 26th Tulane Dermatology Update and All that Jazz to include a stop at the Fair Grounds. Tickets and more information can be found at www.nojazzfest.com.
