## Paperwork Reduction Act and Privacy Act Notice

Public reporting burden for this collection of information is estimated to average 30 minutes, including the time for reviewing instructions, searching existing data sources, gathering data, completing, and reviewing the information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to VA Clearance Officer (085R1B), 810 Vermont Avenue NW, Washington, DC 20420. Do not send applications to this address.

**Authority:** The information requested on this form and Authorization for Release of Information is solicited under Title 38, United States Code, Chapters 73 and 74.

**Purposes and Uses:** The information requested on the application is collected to determine your qualifications and suitability for appointment to a VA clinical training program. If you are appointed by VA, the information will be used to make pay and benefit determinations and in personnel administration processes carried out in accordance with established regulations and systems of records.

**Routine Uses:** Information on the form may be released without your prior consent outside the VA to another federal, state or local agency. It may be used to check the National Practitioner Health Integrity and Protection Data Bank (HIPDB) or the List of Excluded Individuals and Entities (LEIE) maintained by Health and Human Services (HHS), Office of Inspector General (OIG), or to verify information with state licensing boards and other professional organizations or agencies to assist VA in determining your suitability for a clinical training appointment. This information may also be used periodically to verify, evaluate, and update your clinical privileges, credentials, and licensure status, to report apparent violations of law, to provide statistical data, or to provide information to a Congressional office in response to an inquiry made at your request. Such information may be released without your prior consent to Federal agencies, state licensing boards, or similar boards or entities, in connection with the VA's reporting of information concerning your separation or resignation as a professional staff member under circumstances which raise serious concerns about your professional competence. Information concerning payments related to malpractice claims and adverse actions which affect clinical privileges also may be released to state licensing boards and the National Practitioner Data Bank. Information will be stored in a confidential and secure VA database for purposes of processing your application and may be verified through a computer matching program. Information from this form may also be used to survey you regarding employment opportunities in VA and to solicit your perceptions about your clinical training experiences at VA and non-VA facilities.

**Effects of Non-Disclosure:** See statement below concerning disclosure of your social security number. Completion of this form is mandatory for consideration of your application for a clinical training position in VA; failure to provide this information may make impossible the proper application of Civil Service rules and regulations and VA personnel policies and may prevent you from obtaining employment, employee benefits, or other entitlements.

**Information Regarding Disclosure of Your Social Security Number Under Public Law 93-579 Section 7(b)**

Disclosure of your Social Security Number (SSN) is mandatory to obtain the employment and benefits that you are seeking. Solicitation of the SSN is authorized under provisions of Executive Order 9397 dated November 22, 1943. The SSN is used as an identifier throughout your Federal career. It will be used primarily to identify your records. The SSN also will be used by Federal agencies in connection with lawful requests for information about you from former employers, educational institutions, and financial or other organizations. The information gathered through the use of the number will be used only as necessary in personnel administration processes carried out in accordance with established regulations and published notices of systems of records, 'Applicants for Employment' under Title 38, U.S.C.-VA (02VA135), in the 2003 Compilation of Privacy Act Issuances. The SSN will also be used for the selection of persons to be included in statistical studies of personnel management matters. The use of the SSN is necessary because of the large number of Federal employees and applicants with identical names and birth dates whose identities can only be distinguished by the SSN.

1. **PURPOSE**: The purpose of this Numbered Memorandum (NM) is to describe policy and procedures for the protection of patients from real or perceived abuse, neglect, or exploitation by employees, students, volunteers, other patients, visitors or family members. The policy contained in this Numbered Memorandum applies to any patient in any capacity of Southeast Louisiana Veterans Health Care System (SLVHCS).

2. **POLICY**:
   a. Patient abuse, whether physical, verbal, or psychological, is unacceptable. Employees will treat all patients with kindness and respect.
   
   b. Penalty: If patient abuse is proven, the administrative action is usually removal; however, progressive disciplinary action will be considered based on the circumstances of the incident, severity of the incident, and the employee's record.
   
   c. Disciplinary Action: Disciplinary action will also be taken in accordance with appropriate regulations if:
      
      (1) an employee fails to report patient abuse to the proper authorities;
      
      (2) a management official fails to immediately conduct a thorough investigation into any reported patient abuse; or
      
      (3) an employee intentionally makes false or unfounded charges of patient abuse against another employee.
   
   d. Definitions: Patient abuse, whether or not provoked, is defined as acts against patients which involve:
      
      (1) Physical/Sexual Abuse (some examples include, but are not limited to): Striking/attacking; sexual assault/harassment/coercion; unreasonable physical constraint; deprivation of food, medication, or water; inappropriate use of physical or chemical restraint; neglect; failure to assist with personal hygiene; failure to protect from health and safety hazards; and intentional omission of care.
(2) Psychological/Mental Abuse (some examples include, but are not limited to): Subjecting a person to fear, isolation or emotional distress; withholding emotional support; willful violation of a patient's privacy, harassment, ridicule and intimidation (such as following an individual or getting too close to their physical being – violating an acceptable space zone) to bring about a certain effect.

(3) Verbal Abuse is cursing; yelling; expressing indifference; ridiculing; or threatening a patient. Some examples include but are not limited to:

<table>
<thead>

<td>Loud interaction—but with instructional intent (lacks emotional component).</td>
</tr>
<tr>
<td>Indifference—Overt statement; e.g., &quot;I don't care what happens to you.&quot;</td>
<td>Apathetic (flat, uncaring) affect.</td>
</tr>

3. **RESPONSIBILITIES:**

   a. Assistant Director:

      (1) During New Employee Orientation, Workforce Development Services will:

         (a) provide every new employee with a copy of this Numbered Memorandum;

         (b) discuss “Protection of Patients From Abuse”;

         (c) obtain the employee’s signature on Attachment A to this Numbered Memorandum certifying his/her receipt, understanding, and agreement to comply with this policy; and

         (d) forward signed receipts to the employee’s immediate supervisor for filing in the employee’s Official Personnel Folder.

      (2) The Chief of Workforce Development Services or designee will provide annual mandatory training for all employees regarding the content of this policy via the Talent Management System (TMS).

   b. Service Chiefs will notify the Director within 24 hours of an alleged report of patient abuse. As appropriate, the Associate Director, Chief of Staff, Associate Director, Patient/Nursing Services, and/or Assistant Director will also be contacted.

   c. Mid-level Managers/Supervisors will assure the timely examination of any potential physical injury to the patient and the submission of VA Form 10-2633 found at [http://www4.va.gov/vaforms/medical.pdf](http://www4.va.gov/vaforms/medical.pdf) in compliance with Numbered Memorandum, Patient Safety Improvement Program.

   d. Employees will:

      (1) complete Part 1 of VA Form 10-2633, Report of Special Incident Involving a Beneficiary, when they are advised of, perceive, or witness any abuse of a patient within 24 hours; and

      (2) Immediately give VA Form 10-2633 to their immediate supervisor who will report to the appropriate Service Chief and the Patient Safety Manager.

4. **PROCEDURES:** The Director/designee will determine if an incident meets the definition of patient abuse.

   a. When allegations of patient abuse are raised, the Director/designee may order a preliminary investigation (Fact Finding Investigation) to determine if an Administrative Investigation Board (AIB) is necessary.

   b. 
c. If definition of patient abuse is met, the AIB will recommend that “appropriate administrative action” be taken against the employee(s). The Director will be the final approving official of all recommendations.

d. If the definition of patient abuse is not met, the matter will be closed or referred to the appropriate Service Chief for appropriate action, if there has been a finding of inappropriate employee conduct.

e. Occasionally, a patient may use allegations of patient abuse or threaten such allegations to manipulate staff. In some instances, a patient may not be oriented to reality. These situations require a VA Form 10-2633 and an initial review, but are exceptions to the requirement for an AIB. The reasons for not initiating an AIB must be clearly documented and approved by the Director. This information will be maintained by the Risk Manager.

5. **RESCISIION:** Numbered Memorandum, Protection of Patients From Abuse, dated December 29, 2009.

7. **FOLLOW-UP RESPONSIBILITY:** Patient Care Coordinator (00E2).

8. **EXPIRATION DATE:** October 31, 2015.
