What to Pack

The Orientation Team Leaders have the inside scoop on packing for New Student Orientation.

What else?

- An **alarm clock** (if your cell phone does not have an alarm option!)
- Your own **toiletries**
- A **Water Bottle** to help keep you hydrated during our hot summer!
- An **Ethernet cord** if you would like to access the internet on a laptop
- A **light blanket** if you are cold-natured. Twin sheets, a pillow and 1 towel will be provided per person
- **Notes or questions** you have about course registration for your academic advisor

Where should I go with questions?

Please send all questions to orientation@tulane.edu! Orientation Team Leaders are available to respond.

Clothes:

- **Comfortable clothing & shoes.** You will be walking around campus quite a bit
- **Rain gear!** The weather is hard to predict in the summer
- **Socks!** Bring socks for the evening entertainment
- A **sweatshirt or light jacket!** Be prepared for air-conditioned rooms for indoor activities
