

SUCCESS IS PERSONAL.
LET US HELP YOU GET THERE.

Tulane Academic Success Center: How to Utilize Our Resources

Tutoring:

The Tutoring Center opened in the third week of classes offering support in over 35 undergraduate courses at Tulane. Tutors receive training to work with a variety of students and learning styles so that they can personalize the students' experience. Students can utilize our tutoring services in a variety of ways:

One-on-One Appointments:

While tutors can support students in understanding content, they also collaborate with students to become more **independent** and **strategic** learners through exploring their unique learning process. Students can book up to three 30-minute appointments within a 10-day period, by clicking the 'schedule appointments' button on our website: success.tulane.edu

Group/Walk-In Tutoring Sessions:

We offer Walk-In hours for select courses. Our Walk-In hours are posted on our website under the 'schedule appointments' button at success.tulane.edu. Students utilize this service by showing up to the scheduled sessions, no appointment is necessary.

Supplemental Instruction:

We offer Supplemental Instruction for select courses at Tulane. SI Leaders announce themselves throughout the semester, and advertise their weekly review sessions on a regular basis to their class. You can also find our SI Course Listing and schedule online: success.tulane.edu under: 'Peer Learning Support' → 'Supplemental Instruction'

Writing:

The Writing Center is a free writing support for Newcomb-Tulane Undergraduate students. We provide students with assistance on papers, in the English language, for most non-science and non-business undergraduate courses. The Writing Center tutors can work with students on several general writing skills, including, but not limited to:

Content	Language	Generation of Ideas
Organization	Punctuation	Documentation

Students can book appointments by clicking the 'schedule appointments' button on our website: success.tulane.edu. To maintain accessibility for as many students as possible, we request that students book no more than three 30-minute appointments within a 10-day period.

Academic Recharge:

The Academic Recharge program provides assistance for students who are experiencing difficulties at semester midpoint and beyond. It aims to help them regain satisfactory academic status. (The semester midpoint is the last day to drop classes as noted on the [Academic Calendar](#).)

Newcomb-Tulane staff assists students in developing a meaningful personal plan for academic success through **intensive success coaching**, guidance on the utilization of Tulane **support services**, and suggestions to **improve in the areas of academic weakness**.

Undergraduate students enrolled in Newcomb-Tulane College are eligible for Academic Recharge appointments. If students are not enrolled in Newcomb-Tulane College, please contact 504-865-5103 to connect with the most appropriate resource.
