

Dear Students,

I hope you have had a safe and restful Mardi Gras break!

For Friday 23 Feb: We will review Shifters (to pp. 54). Please look at General Meanings of the Russian Cases (to pp. 77 or so); if you are not a Russianist, don't worry about the Russian details! Also read Morphological Observations, pp. 105-115 or so).

I have ordered *Chomsky's Universal Grammar*, Blackwell, Cook and Newman; it's in the bookstore and we will start it in March.

Thanks for your tremendous patience,

gmc
