EJF Membership

Membership to the Exploring Joara Foundation supports our on-going archaeological research and educational outreach. Thanks to our members, the EJF has continued to grow each year. This year will see more dynamic growth as we continue construction of the Living History Interpretive Center. Please consider joining the EJF. Membership in our organization not only supports our educational outreach, but also has benefits such as regular member days, workshops, lab nights, and more. If you would like to join or confirm your membership status call the EJF office at (828) 439-2463. Membership letters for renewal are mailed out the month prior to membership expiration.
