# Overview of Events

- April 20<sup>th</sup>, 2010: ***tragic loss of eleven lives.***
- Feds quickly reacted with two (2) decisions:
  - Appr. 30 days post event: ***an immediate halt to drilling ops on 33 permitted DW wells AND six (6) month moratorium on permitting and drilling.***
  - Appr. 60 days post event: ***MMS disbanded and re-structured as the BOEMRE.***
